Trustees' Report

The Trustees present their report together with the financial statements and auditor's report of the charitable company for the year 1 September 2016 to 31 August 2017. The report serves the purposes of both a trustees' report, and a directors' report under company law.

The trust operates two Academies for pupils aged 11 – 18 in Liverpool. Its Academies have a combined pupil capacity of 2,160, and a roll of 1,566 in the school census in October 2017. Enterprise South Liverpool Academy changed its name to The Academy of St Nicholas on 1st September 2017.

Structure, Governance and Management

Constitution

The Liverpool Joint Catholic and Church of England Academies Trust is a company limited by guarantee (No. 07007398) and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the Academy Trust. The Trustees of The Liverpool Joint Catholic and Church of England Academies Trust are also the directors of the charitable company for the purposes of company law. The charitable company is known as All Saints Multi Academy Trust.

Details of the Trustees who served during the period are included in the Reference and Administrative Details on page 2.

Members' liability

Each member of the company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' Indemnities

In accordance with normal commercial practice the Academy Trust has purchased insurance to protect Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy Trust business. The insurance provides cover up to £10,000,000 on any one claim.

Method of Recruitment and Appointment or Election of Trustees

The directors may appoint a further two co-opted directors, with the consent of the sponsor, for a term not exceeding four years.

Policies and Procedures for the Induction and Training of Trustees

As there are normally a minimal number of appointments as Trustees within a year, induction is done informally and is tailored specifically to the individual.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Trustees' Report

Organisational Structure

The management structure consists of two levels: Governance (being the Trust Board and the Local Governing Bodies), and the Trust Management Team comprising the Executive Headteacher (who is also the Accounting Officer), the Trust Director of Finance and Resources and the Head of School for each of the Trust's Academies. The aim of the management structure is to devolve responsibility and accountability to support decision making at all levels.

The Trustees, supported by the Local Governing Bodies are responsible for setting general policy, adopting an annual plan and budget, monitoring the Academy Trust through the use of management reports and making decisions about the strategic direction of the Academy Trust, significant items of capital expenditure and the staffing structure.

The Trust Management Team controls the Academy Trust at an executive level implementing the policies laid down by the Trustees and reporting back to them. As a group the Trust Management team is responsible for the authorisation of spending within agreed budgets and the appointment of staff, though appointment boards for posts in the Leadership Team always contain a member of the Local Governing Body/Trust Board, as appropriate.

Each Academy then has a Senior Leadership team, led by the Head of School, which includes a combination of Deputy Heads of School, Assistant Heads of School, Directors of Curriculum and Directors of Progress. These leaders, along with the Trust Management Team, are responsible for the day to day operation of the constituent Academies, in particular managing the staff, students and facilities.

Arrangements for Setting Pay and Remuneration of Key Management Personnel

The Trust Board has established a separate Remuneration Committee which is responsible for setting pay and remuneration for key management personnel. The Committee have established a pay scale attached to each post based on relevant benchmarking data and guidance included within the School Teacher Pay and Conditions document. Progression along this pay scale is linked to performance, and decisions regarding progression are made by the Remuneration Committee on an annual basis following the completion of the performance management cycle.

Related Parties and other Connected Charities and Organisations

The Academy Trust is sponsored by The Liverpool Joint Catholic and Church of England Education Trust, a charitable company which is jointly controlled by the Diocese of Liverpool, and the Archdiocese of Liverpool. The Sponsor is responsible for appointing certain members of the Board of Trustees (as noted above). The Sponsor supports the Academy Trust by working closely with the Trust Management Team and the Board of Trustees in setting the strategic objectives of the Academy Trust and reviewing plans for improvement. In addition, the Sponsor is also responsible for monitoring the financial position of the Academy Trust.

Objectives and Activities

Objects and Aims

The principal object and activity of the charitable company is the operation of the Academy of St Francis of Assisi and The Academy of St Nicholas (incorporating All Saints Sixth Form College):

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Trustees' Report

- to advance the education of the public in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing a joint Church of England and Roman Catholic secondary school offering a broad curriculum with a strong emphasis on, but not limited to, the environment to be conducted in accordance with the principles and practices of both the Church of England and the Roman Catholic Church; and
- to provide facilities for recreational and other leisure time occupation for the community at large in the interests of social welfare and with the object of improving the conditions of life of the said community.

The Trustees confirm they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Academy Trust's aims and objectives.

The main objectives of the Academy Trust during the year ended 31 August 2017 are summarised below:

- to ensure that every child enjoys the same high quality education in terms of resourcing, tuition and care;
- to raise the standard of educational achievement and progress of all students;
- to improve the effectiveness of the Academy Trust by keeping the curriculum and organisational structure under continual review;
- to provide value for money for the funds expended;
- to comply with all appropriate statutory and curriculum requirements;
- to conduct the Academy Trust's business in accordance with the highest standards of integrity, probity and openness.

Objectives, Strategies and Activities

The Academy Trust's main objectives are set out above.

The main strategies for improvement consist of:

- Improving teaching, learning and assessment in order to secure the best possible outcomes for students;

Achievements and Performance

Performance against Objectives

Educational performance within the Trust demonstrated an improving trend in 2016/17. Both Academies secured improvements in their progress 8 measure which was above the Government's floor target. The Academy of St Nicholas achieved a progress 8 score of -0.46, whilst The Academy of St Francis of Assisi achieved a progress 8 score of -0.32.

Since the establishment of the new Trust arrangements in January 2016, significant changes have been implemented within both Academies in order to achieve improvements in Academic outcomes. The Trust therefore remains optimistic regarding academic performance in 2017/18.

Ofsted Section 5 Inspection

The Academy of St Francis of Assisi achieved a 'Good' Section 5 inspection following its latest inspection in November 2012.

The Academy of St Nicholas was subject to a Section 5 inspection in November 2016. Inspectors judged that the Academy no longer required special measures, and the judgement on overall effectiveness improved from inadequate to requires improvement. Inspectors commented positively on the additional capacity provided by the Trust, and the Academy's ability to achieve further improvements. Subsequently, the Academy has implemented a plan for "getting to good".

Going Concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that The Liverpool Joint Catholic and Church of England Academies Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Financial Review

Financial Objectives

The Academy Trust's financial objectives are:

- to achieve an annual operating surplus;
- to generate sufficient levels of income to support the asset base of the Academy Trust;
- to ensure the Academy Trust's continued liquidity;
- to generate sufficient reserves to fund continued capital investment.

The Academy Trust's achievements in line with these objectives are noted below.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Trustees' Report

Operational Review

The majority of the Academy Trust's income is obtained from the Education Funding Agency (EFA) in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received during the period and the associated expenditure are shown under Restricted Funds in the Statement of Financial Activities.

Expenditure for the year exceeded income by £1,387,000 (2016: £1,014,000) after providing for depreciation and loss on disposal of fixed assets totalling £1,235,000 (2016: £1,301,000). The deficit generated before providing for depreciation and loss on disposal of fixed assets was £152,000 (2016: £287,000).

Whilst the fixed costs of the Academy Trust's staffing, building maintenance and IT maintenance represent the majority of the Academy Trust's expenditure, we have also continued to invest in providing the best resources for our students to ensure that they continue to receive the very best education.

At 31 August 2017 the net book value of fixed assets was £36,636,000 (2016: £37,781,000) and movements in tangible fixed assets are shown in note 11 to the financial statements.

The Academy Trust held fund balances at 31 August 2016 of £30,977,000 (2016: £30,707,000) comprising £36,636,000 (2016: £37,781,000) of restricted fixed asset funds, and £548,000 (2016: £493,000) of unrestricted funds, offset by a pension scheme liability totalling £5,671,000 (2016: £7,064,000) and a deficit of £536,000 (2016: £504,000) on restricted general funds. The fund balances are adequate to fulfil the obligations of the Academy Trust and provide a balance against most unforeseen future events.

Reserves Policy

The policy of the Academy Trust is to carry forward a prudent level of free reserves (total funds less the amount held in fixed assets and restricted funds) designed to meet the long term cyclical needs of renewal and any other unforeseen circumstances. Following their annual review, the Trustees consider that the current level of reserves are not sufficient, and a financial recovery plan is in place to improve this position. The Academy Trust's financial position has improved ahead of this plan, demonstrated by the improvement in the free reserves position. At the end of the prior year, free reserves were in a deficit position totalling £11,000, and this has improved to a surplus of £13,000 at 31st August 2017.

Investment Policy

The Academy Trust is firmly committed to ensuring that all funds under its control are administered in such a way as to maximise return while minimising risk. Trustees do not consider the investment of surplus funds as a primary activity, but rather a requirement for the effective management of funds.

Trustees' management of cash flow should ensure that there are always sufficient funds in the main bank accounts to cover operational costs. The Academy Trust will seek to ensure that any cash not required for operating expenses is placed on deposit at the most favourable rate.

Where significant funds have been accumulated that are not required in the short term for operational expenses, or as part of a planned surplus for a specific project, Trustees may consider the investment of these funds in order to generate a longer term income or capital fund. The approval of the Finance and General Purposes Committee is required before any investment is made.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Trustees' Report

Risk Management

The Trustees have assessed the major risks to which the charitable company is exposed, in particular those relating to teaching, provision of facilities and other operational areas of the Academy Trust, and its finances. The Trustees have implemented a number of systems to assess risks that the Academy Trust faces, especially in the operational areas (e.g. in relation to teaching, health and safety, bullying and school trips) and in relation to the control of finance. They have introduced systems, including operational procedures (e.g. vetting of new staff and visitors, supervision of school grounds) and internal financial controls in order to minimise risk. Where significant financial risk still remains they have ensured they have adequate insurance cover. The Academy Trust has an effective system of internal financial controls and this is explained in more detail in the following statement.

The Academy Trust continues to develop and embed the system of internal control, including financial, operational and risk management which is designed to protect the Academy Trust's assets and reputation.

The Trust Management Team undertakes a comprehensive review of the risks to which the Academy Trust is exposed. They identify systems and procedures, including specific preventable actions which should mitigate any potential impact on the Academy Trust. The internal controls are then implemented and the subsequent year's appraisal will review their effectiveness and progress against risk mitigation actions. In addition to the annual review the Trust Management Team also consider any risks which may arise as a result of any new area of work being undertaken by the Academy Trust.

A risk register is maintained at the Trust level which is reviewed at least annually by the full Trust Board and more frequently by the Audit Committee and Trust Management Team. The risk register identifies the key risks, the likelihood of those risks occurring, their potential impact on the Academy Trust and the actions being taken to reduce and mitigate the risks. Risks are prioritised using a consistent scoring system.

Principal Risks and Uncertainties

Outlined below is a description of the principal risk factors that may affect the Academy Trust. Not all the factors are within the Academy Trust's control. Other factors besides those listed below may also adversely affect the Academy Trust.

- Uncertainty with regard to the impact of future Government funding reforms
- Potential difficulties in reaching capacity in the constituent Academies.
- Potential difficulties in obtaining capital funding to ensure the Academy Trust's premises continue to meet the needs of its students

These risks are mitigated in a number of ways including:

- Ensuring the Academy Trust is rigorous in delivering high quality education and training
- A comprehensive marketing/PR programme including activities for primary pupils and parents
- Rigorous monitoring of financial activities ensuring value for money
- Maintenance of a detailed property strategy to ensure maximum value is obtained from the Academy Trust's premises.

Plans for Future Periods

The main objectives for the coming year are to:

- Develop leadership capacity amongst the Academy Trust's staff through increased accountability and high quality CPD
- Improve teaching, learning and assessment in order to secure the best possible progress for students
- Develop the whole child through our unique Christian ethos, values and environmental specialism to create respectful, caring and compassionate citizens in the community
- Continue to develop the Trust's business model to secure financial sustainability by maximising student recruitment, continuing to ensure all spending offers value for money and ensuring appropriate strategies are in place to develop the Academy Trust's premises and IT resources.

The Academy Trust will continue striving to improve the levels of performance of its students at all levels and will continue its efforts to ensure its students progress into further education at the Academy Trust and other institutions.

Governance Statement

Scope of Responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that The Liverpool Joint Catholic and Church of England Academies Trust has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the Executive Headteacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The Liverpool Joint Catholic and Church of England Academies Trust and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Review of Value for Money

As accounting officer the Executive Headteacher has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

- Completing a full review of the curriculum and staffing based on costing information to ensure that the level of investment in each subject area is in proportion to the number of students studying the subject.
- Reviewing the value for money obtained from all non-core expenditure including, for example, professional subscriptions, marketing activities and administration costs and changing purchasing practices accordingly.
- Utilising the opportunities for economies of scale offered by the Trust arrangement to reduce costs.

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The Liverpool Joint Catholic and Church of England Academies Trust for the year ended 31 August 2017 and up to the date of approval of the annual report and financial statements.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Governance Statement

Capacity to Handle Risk

The board of Trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of Trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the period ending 31 August 2017 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

The Risk and Control Framework

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the governing body;
- regular reviews by the Trust Board and the Finance and Business Committee of the Local Governing Bodies of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

The Board of Trustees has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. However, the Trustees have appointed RSM UK Audit LLP, the external auditor, to perform additional checks.

The auditor's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. On a termly basis, the auditor reports to the board of Trustees on the operation of the systems of control and on the discharge of the board of Trustees' financial responsibilities. There have been no material control issues arising as a result of the auditor's work during the year. The schedule of audit work has been completed as planned for the year.

Review of Effectiveness

As Accounting Officer, the Executive Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the external auditor;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Governance Statement

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Audit Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

The Trustees (who act as Governors of The Liverpool Joint Catholic and Church of England Academies Trust and are also the Directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Annual Accounts Direction issued by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

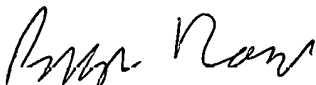

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the Education and Skills Funding Agency/Department for Education have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Governors'² Report and the incorporated Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the charity, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of governors'² remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Governors

As explained more fully in the Statement of Governors' responsibilities set out on page 16, the governors (who act as trustees for the charitable activities of the charitable company are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the governors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the governors are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the governors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Notes to the Financial Statements for the Year Ended 31 August 2017

1. Statement of Accounting Policies

1.1. General information

The Trust is a charitable company. The address of its principal place of business is given on page 3 and the nature of its operations are set out in the Trustees report.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.2. Basis of Preparation

The financial statements of The Liverpool Joint Catholic and Church of England Academies Trust, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2016 to 2017 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

The Liverpool Joint Catholic and Church of England Academies Trust meets the definition of a public benefit entity under FRS 102 and has therefore applied the relevant public benefit requirements of FRS102.

The financial statements are presented in sterling which is also the functional currency of the Trust.

Monetary amounts in these financial statements are rounded to the nearest whole £1,000, except where otherwise indicated.

1.3. Going Concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.4. Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objectives of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are applied to specific capital purposes imposed by funders where the asset acquired is held for a specific purpose:

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder and include grants from the Education Funding Agency and the Department for Education.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Notes to the Financial Statements for the Year Ended 31 August 2017

1.5. Incoming Resources

All incoming resources are recognised when the Academy Trust has entitlement to the funds, there is certainty of receipt and the amount can be measured with sufficient reliability.

Grants receivable

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of entitlement its recognition is deferred and it is included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the year for which it is receivable and any unspent amount is reflected as a balance in the restricted general fund.

Capital grants are recognised when there is entitlement and are not deferred over the life of the assets on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Donations

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

Other income

Other income is recognised in the period it is receivable and to the extent the goods have been provided or on completion of the service.

1.6. Resources expended

All expenditure is recognised in the period in which a liability is incurred and is classified under headings that aggregate all costs relating to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the relevant proportions of the asset's use. Other support costs are allocated based on the spread of staff costs.

Costs of generating funds

These are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable activities

These are costs incurred on the Academy Trust's educational operations.

All resources expended are inclusive of irrecoverable VAT.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Notes to the Financial Statements for the Year Ended 31 August 2017

1.7. Tangible Fixed Assets

Assets costing £500 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet.

Depreciation on such costs is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the Academy Trust's depreciation policy.

Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful lives, as follows:

Freehold and leasehold buildings	2%
Furniture and equipment	Either 10% or 20%
Computer equipment	25% or 33.33%

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1.8. Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received (within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992), to the extent that such income or gains are applied exclusively to charitable purposes.

1.9. Pension Benefits

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes, and the assets are held separately from those of the Academy Trust.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quinquennial valuations using a prospective benefit method. As stated in note 23, the TPS is a multi employer scheme and the Academy Trust is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis. The TPS is therefore treated as a defined contribution scheme and the contributions recognised as they are paid each year.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Notes to the Financial Statements for the Year Ended 31 August 2017

The LGPS is a funded scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and gains and losses on settlements and curtailments. They are included as part of staff costs. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in Other Gains and Losses.

1.10. Leased assets

Rentals under operating leases are charged to the Statement of Financial Activities on the straight-line basis over the lease term.

1.11. Financial Instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows:

Financial assets – trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 11. Prepayments are not financial instruments.

Cash at bank – is classified as a basic financial instrument and is measured at face value.

Financial liabilities – trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 12 and 13. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Notes to the Financial Statements for the Year Ended 31 August 2017

1.12. Agency Arrangements

The Academy Trust acts as an agent distributing Looked After Children funds from the Local Authority. Payments received from the Local Authority and subsequent disbursements to students are excluded from the statement of financial activities as the Trust does not have control over the charitable application of the funds.

The Academy Trust also acts as an agent distributing 16-19 bursary funds from EFA. Payments received from EFA and subsequent disbursements to students are excluded from the statement of financial activities as the Trust does not have control over the charitable application of the funds. The trust can use 5% of the allocation towards its own administration costs and this is recognised in the statement of financial activities. The funds received and any balances held are disclosed in note 25.

The Academy of St Nicholas, one of the Academies within the Trust, acts as an agent in the management of funds collected on behalf of the Liverpool School Sports Partnership. Amounts received on behalf of the Partnership and subsequent expenditure made on behalf of the Partnership are excluded from the statement of financial activities as the Trust does not have control over the application of the funds.

1.13. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 23, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation has been used by the actuary in valuing the pensions liability at 31 August 2016. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

21. Contingent liabilities

In the event that during the period of the funding agreement, the Academy Trust sells or disposes of by other means any asset for which a capital grant was received, the company shall repay to the Secretary of State for Education the same proportion of the proceeds of the sale or disposal as equates with the proportion of the original cost met by the Secretary of State, unless the Secretary of State agrees to some or all of the proceeds being retained by the Academy Trust for its charitable purposes.

Upon termination of the Funding Agreement, whether as a result of the Secretary of State or the company serving notice, the Academy Trust shall repay to the Secretary of State sums determined by reference to:

- the value at that time of the Academy Trust's premises and other assets held for the purpose of the company; and
- the extent to which expenditure incurred in providing those assets was met by payments by the Secretary of State under the Funding Agreement.

22. Members' Liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

23. Pension and similar obligations

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Merseyside Pension Fund. Both are multi-employer defined benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2016.

There were no outstanding or prepaid contributions at either the beginning or end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay (including a 0.08% employer administration charge (currently 14.1%)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The pension costs paid to TPS in the period amounted to £602,000 (2016: £591,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2017 was £481,000 (2016: £466,000), of which employer's contributions totalled £389,000 (2016: £387,000) and employees' contributions totalled £92,000 (2016: £79,000). The agreed contribution rates for future years are 15.1 per cent for employers and between 5.5 per cent 12.5 per cent for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Independent Reporting Accountant's Assurance Report on Regularity to The Liverpool Joint Catholic and Church of England Academies Trust and the Education and Skills Funding Agency

Conclusion

We have carried out an engagement in accordance with the terms of our engagement letter dated 14 July 2017 and further to the requirements of the Education and Skills Funding Agency ('ESFA') as included in the Academies Accounts Direction 2016 to 2017, to obtain limited assurance about whether the expenditure disbursed and income received by The Liverpool Joint Catholic and Church of England Academies Trust during the period 1 September 2016 to 31 August 2017 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2016 to 31 August 2017 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Basis for conclusion

The framework that has been applied is set out in the Academies Accounts Direction 2016 to 2017 Part 9: Regularity Reporting. We are independent of The Liverpool Joint Catholic and Church of England Academies Trust in accordance with the ethical requirements that are applicable to this engagement and we have fulfilled our ethical requirements in accordance with these requirements. We believe the assurance evidence we have obtained is sufficient to provide a basis for our conclusion.

Responsibilities of The Liverpool Joint Catholic and Church of England Academies Trust's accounting officer and trustees

The accounting officer is responsible, under the requirements of The Liverpool Joint Catholic and Church of England Academies Trust's funding agreement with the Secretary of State for Education dated 1 September 2015 and the Academies Financial Handbook extant from 1 September 2016, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them. The accounting officer is also responsible for preparing the Statement of Regularity, Propriety and Compliance. The trustees¹ (who are also the directors of the charitable company for the purposes of company law) are responsible for the proper conduct and financial operation of The Liverpool Joint Catholic and Church of England Academies Trust and appointment of the accounting officer.

Reporting Accountant's responsibilities for reporting on regularity

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2016 to 2017.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity. A limited assurance engagement is more limited in scope than a reasonable assurance engagement and the procedures performed vary in nature and timing from, and are less in extent than for a reasonable assurance engagement; consequently a limited assurance engagement does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

THE LIVERPOOL JOINT CATHOLIC AND CHURCH OF ENGLAND ACADEMIES TRUST

Our work included identification and assessment of the design and operational effectiveness of the controls, policies and procedures that have been implemented to ensure compliance with the framework of authorities including the specific requirements of the funding agreement with the Secretary of State for Education, the Academies Financial Handbook 2016 published by the Education and Skills Funding Agency and high level financial control areas where we identified a material risk of irregularity is likely to arise. It also included areas assessed as presenting a higher risk of impropriety. We undertook detailed testing, on a sample basis, based on the identified areas where a material irregularity is likely to arise, or potential impropriety where such areas are in respect of controls, policies and procedures that apply to classes of transactions. Our work was undertaken with due regard to the 'Evidence to support conclusion on regularity' guidance in Academies Accounts Direction 2016 to 2017.

This work was integrated with our audit on the financial statements and evidence was also derived from the conduct of that audit to the extent it supports the regularity conclusion.

This report is made solely to The Liverpool Joint Catholic and Church of England Academies Trust and the ESFA in accordance with the terms of our engagement letter dated 14 July 2017. Our work has been undertaken so that we might state to the The Liverpool Joint Catholic and Church of England Academies Trust and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Liverpool Joint Catholic and Church of England Academies Trust and the ESFA, for our work, for this report, or for the conclusion we have formed.
