About the Trust

All Saints Multi Academy Trust is a local network of schools based within Liverpool.

The All Saints Multi Academy Trust is jointly sponsored by both the Diocese and the Archdiocese of Liverpool and is inspired by the ecumenical vision of Bishops' Sheppard and Worlock that we are 'stronger and better together', placing partnership working at the heart of what we do! Community is at the heart of our family of Academies, and we are proud to work closely in partnership with the communities that we serve.

Each of our Academies is unique and has its own identity yet underpinned by the Christian values of the All Saints Multi Academy Trust. We work together to ensure that our Academies are places where academic success is achieved, belief is inspired and opportunities are created.

Most importantly, our Academies are safe and happy places where children can learn and thrive.

Our vision is to create a multi academy trust of exceptional and distinctive Christian schools which deliver outstanding education and learning, share best practice to raise standards and build aspiration for the children and members of its community while maintaining positive diversity and choice for parents – a vision that we are already well on our way to realising.

At present, the Trust is made up of one primary school, three secondary schools, and two sixth form colleges. We will be welcoming more schools into the Trust family over the next 12 months, and we are excited at this prospect of growth.

About the Trust

To support our expansion, we are pleased to be part of The Church of England's Flourishing Trusts Network, which supports multi academy trusts from around the country, encouraging everyone to 'flourish together'.

Our values

Aspiration

Our Academies are places where knowledge is shared, interests are ignited, and successes celebrated. Every member of our community will recognise and embrace what they can achieve and realise that no door is closed for their future.

Inclusion

We ensure that everyone is valued for being who they are. Embracing different cultures, perspectives, ways of thinking and beliefs, has, after all, made our city stronger, and we will ensure that our Academies build on this rich tradition.

Service

With a willing heart, we show God's love to support those around us – we act as one to put our communities first. Undoubtedly, we are better together.

About the School

The Academy of St Francis of Assisi is a unique and special place to work. It is a vibrant and happy school, serving a neighbourhood which ranks as one of the most deprived in England. We have a high proportion of students who qualify for pupil premium. We have a much higher than average number of students for whom English is an additional language. Many of these students also newly arrived in the country. There are 64 languages spoken at the Academy with 58 nationalities represented amongst students. This diversity makes our Academy a very special place.

A higher-than-average percentage of students have SEND. On average, students arrive at the Academy well below KS2 national expectations. All years are at their admission number for 2023-24.
